1. Report your research result or introduce some literature.
2. Create a seminar material in Word. (Power Point for presentation is optional.)
3. Send the seminar material by e-mail to all members **by noon the day before the seminar**. In the case of the introduction of some literature, send it by e-mail too.
4. The chairperson will set up the venue (ex. screen). If the meeting is held online, the chairperson will create the meeting URL in Microsoft Teams and notify lab. member by noon the day before the meeting.

1. 研究成果の発表または文献紹介（1回あたり最低3報。極力英語文献）を行う。
2. ゼミ資料はWordで作成する。（Power Pointも併用可）
3. 文献およびゼミ資料は前日の正午までにメールで全員宛て送付する。
4. 司会者は会場のセッティング（スクリーンの準備）を行う。オンライン開催の場合はMicrosoft Teamsで会議URLを発行し、前日の正午までに周知する。
